

Corridor Public Workshops

December 8 and 10, 2009

WELCOME

The Florida Department of Transportation (FDOT) welcomes you to the Corridor Public Workshops for the Central Polk Parkway Project Development and Environment (PD&E) Study. The purpose of this meeting is to provide you with an opportunity to review and comment on the updated project corridors and revised purpose and need statement developed for the project. The meeting format will consist of an informal open house beginning at 5:30 p.m. followed by a brief presentation at 6:00 p.m.

INFORMAL "OPEN HOUSE" - 5:30 p.m.

During the open house portion of the meeting, representatives from the PD&E Study team will be present to answer questions and discuss the process used to refine the preliminary project corridors presented at public meetings held in March 2009. The draft purpose and need statement includes a summary of the project description, the project study area and the project background. Aerial photographs and other project information are shown on display boards throughout the room. Additional information is also available on the project website www.centralpolkparkway.com

PRESENTATION - 6:00 p.m.

FDOT representatives will present an audiovisual show to present the updated project corridor and discuss the revised purpose and need for the project, key project issues and the project schedule. Following the presentation, representatives from the PD&E Study team will be available to answer any further questions.

PROVIDE COMMENTS

If you would like to provide a written comment, please complete a comment sheet available at this meeting. Completed comment sheets can be placed in a comment box or mailed to the address on the back of the form by December 24, 2009. Your comments are appreciated. All comments received will be reviewed by the PD&E Study team.
